SPECIAL ANNOUNCEMENTS

- Registration-Related Information (note: Registration has now been open since November 2)
  - Records and Registration has a nice New Semester Checklist that provides helpful information on how to prepare for Registration
  - Degree Works is a handy tool for helping you decide what classes to register for; it can be accessed through Academica > Student Resources (on the left-hand menu)
    - Please note, Degree Works is not a replacement for seeing your advisor; if you are unsure what to do, please schedule an appointment to see me
  - Here is some additional information on How to Register for Classes
  - Finally, if you have a HOLD on your account you may want to read more about it
- Principles of Paleontology – beginning Fall 2016, the Geology department will again be offering a course in Paleontology; see the attached syllabus for additional information about prerequisites, field trips, course requirements, etc. If you would like to incorporate this course into your Plan of Work, please schedule an appointment to see me.
