SPECIAL ANNOUNCEMENTS

- **Degree Works** is now live! Degree Works is now functional for students and replaces the STARS Degree Audit system. You may log into Degree Works either through the STARS system or through Academica. I encourage all of you to log into Degree Works in the next couple of weeks to review you Degree Progress and to contact me if you would like to either (1) Develop a Plan of Work and/or (2) Discuss any questions, comments, or concerns you may have about your Degree Worksheet within the Degree Works system. Learn more about Degree Works by visiting [http://wayne.edu/degreeworks/launch/](http://wayne.edu/degreeworks/launch/).
- The **Mathematic Resource Center (MRC)** has announced its fall schedule, which is attached to this email. The MRC offers free tutoring in various WSU math courses through Calculus (and beyond). They also specialize in tutoring for the Math Placement Exam. More information is available on their website: [http://clas.wayne.edu/math/mathematics-resource-center](http://clas.wayne.edu/math/mathematics-resource-center).
