General Information:
The WSU China Corps Summer Camp is a two-week Chinese language and culture enrichment program for middle and high school students in Southeast Michigan. Classes and activities will involve Chinese language instruction and cultural activities ranging from tai chi and ping pong to calligraphy and paper folding. The program, which will run this year from August 1-12, is offered to students who have had little or no exposure to the Chinese language as well as to students who might be placed at an intermediate level.

Students accepted into the program receive:
- lunch every Thursday
- a WSU Confucius Institute T-shirt

Schedule:
Students in the program are expected to attend on time and fully all program days from 9:00 AM to 3:00 PM, Monday through Friday, from August 1-12. On Thursdays, the WSU-CI will provide a Chinese-style lunch. All other days, however, participants will be expected to bring their own lunch or purchase their own lunch at the WSU-Student Center food court.

RULES AND REGULATIONS
The WSU China Corps stands on the belief that all children have a unique and special greatness within them, and that through hard work, a commitment to excellence, and a dedication to learning – combined with the support of a caring community – this greatness can be realized.

In keeping with the China Corps’ determination to help each and every one of its students find his or her own particular greatness, we ask that the following rules and regulations be observed:

1. All students are expected to attend the program every day, in accordance with the program schedule. An absence caused by illness, family emergency, or other unexpected and/or unavoidable event may be excused, if prompt notification of the circumstances is given to the Program Coordinator. The Program Coordinator has sole authority for deciding whether any absence should be excused or not. In any case, no matter what the reason, no more than three (2) absences will be excused. Family vacations, reunions, and other similar outings conflict with the program’s goals, and so will not be seen as reasons to excuse an absence. Any unexcused absence is grounds for dismissal.

2. All students must be on time every day. An incident of lateness caused by an unexpected and/or unavoidable event may be excused, if prompt notification of the circumstances is given to the Program Coordinator. The Program Coordinator has sole authority for deciding whether any lateness should be excused or not. Any unexcused lateness is grounds for dismissal.

3. All participants are to treat each other with respect and courtesy and are to maintain proper behavior at all times, consistent with being part of a university program. Behavior that fails to meet the standards of the WSU China Corps or any of its instructors is grounds for dismissal.
