Dear Greater Detroit Teacher:

The Confucius Institute at Wayne State University is initiating a sister-schools program between schools in the Greater Detroit area and schools in Wuhan, China.

We have identified a number of teachers in China at all grade levels who are interested in exchanging gift boxes that might contain the following items:

- pictures of their students
- a picture of the teacher
- pictures of the classroom and school
- pictures of students at home
- video and/or voice recordings of the students and school
- letters (in English) from their students to your students
- school memorabilia (e.g. pennant or t-shirt)
- text book or assignment
- comic books
- postcards and pictures of their city or region
- trinkets representative of their city or region
- favorite recipes
- toys
- small games
- a baseball or small football
- local sports team memorabilia
- other ???

If you and your class (or one of your classes) would be interested in exchanging a gift box (approximately 16” x 14” x 10”) and perhaps establishing a sister school relationship with a school in China, please contact me at the email or phone number below.

Sincerely,

John Brender, Ph.D.
