

ACADEMIC PROBATION AGREEMENT

Name _____ Student ID _____

Semester of agreement _____ Date _____

As a student on academic probation:

- I understand that it is my responsibility to work throughout this semester to identify factors that have been impeding my academic progress. _____
- I understand that my academic advisor is a key collaborator in my efforts to find helpful resources and to use them effectively. _____
- Two meetings with my advisor are required during this probationary semester. _____

Appointment #1: Sometime after the first five weeks of the semester

Appointment #2: Near end of semester. *(No later than the last five weeks of the semester)*

As a student on academic probation:

- Attend all lectures and labs and will not go in late or leave early. _____
- Schedule with a tutor through the Academic Success Center; if you are retaking a class that does not have tutors then you can look to your classmate who have passed exams with high grade or ask the professor if they know a student who can assist you. _____
- Attend Supplemental Instruction (SI) sessions for courses BIO 1050, 1500, 1510, 2200, 2600 and 2870. Attend every session and form a small study group from the people in the SI class. _____

WAYNE STATE UNIVERSITY
Department of Biological Sciences
