**Nicholas Daniels**

*As Senior Managing Director, Nick Daniels oversees global enterprise engagements and is responsible for assisting with development, implementation, and execution of Scout's technology, advisory, and investigation practices. Mr. Daniels specializes in the alignment of strategic, digital data management solutions through variety of cross-functional enforcement and investigation disciplines. His main objective is to educate on the importance of defining a clear execution strategy and to tailor effective investigation practices using technology, data transformation, and operational procedures. Mr. Daniels also maintains heavy focus on shaping enforcement process modeling and methodologies with Brand Owners. Nick holds a degree in Applied Sciences and Electrical Technologies from Western Michigan University. Mr. Daniels is also very active and socially engaged in the community. Sitting on the Board of Directors for the Detroit Economic Club Young Leaders program, he is responsible for membership acquisitions and retention, sponsorship, and marketing strategy. He also sits on the Reception Committee and regularly volunteers with DEC's Career Readiness Academy. Nick lives in Michigan with his wife and two boys. Nick enjoys golfing, weightlifting, outdoor activities, and spending as much time as he can with his family.*
