| Internal or external member | | | |
| Graduate faculty status (advisor, plus one) | | | |

PH.D. COMMITTEE CHECKLIST FORM

Dissertation Committee

The Dissertation Committee shall consist of at least four members. If there are co-chairs, the committee must consist of five members. At least two committee members must be from the student’s home department. The committee chair must hold graduate faculty status in the department and at least one other member of the committee must hold graduate faculty status.
