

Wayne State University  
College of Liberal Arts and Sciences

CAMPUS RESEARCH EVENTS AND DEADLINES  
MAY 2016

Upcoming internal funding sources deadlines:

[Humanities Center Brown Bag Colloquium Series link for 2016-2017 program cycle](#)

[Faculty Competition for Post-Doctoral Fellows Deadline, May 2, 2016](#)

Faculty Competition for Postdoctoral Fellows enhances the productivity of WSU faculty by augmenting capacity to attract and support postdoctoral fellows. Matching funds of up to \$30,000 per year for a maximum of \$60,000 for two years is provided. These postdoctoral positions are awarded on a university-wide competitive basis. It is required that sufficient matching funds be committed at the time of application.

Colloquium, seminars and symposiums:

[CURES Seminar, May 5, 2016](#)

The Institute of Environmental Health Sciences (IEHS) / Center for Urban Responses to Environmental Stressors (CURES) (P30E020957) presents Elizabeth Kuhl-Towner, Ph.D.

[Sustainability@Wayne Seminar, May 9, 2016](#)

The Office of the Vice President for Research is pleased to host the next Sustainability@Wayne seminar on Monday, May 9, 2016 from 2:30 to 4:00 p.m. The guest speaker will be Joe Cresko, technology manager in the Department of Energy's Advanced Manufacturing Office.

Mr. Cresko will present, "Clean Energy Manufacturing: Frameworks and Methodologies to Anticipate the Impacts of Advanced Manufacturing Technologies." The seminar will be held at WSU's Welcome Center, located at 42 W. Warren. The seminar is free and open to the entire university community; registration is requested.

[Lipids@Wayne Symposium, May 11, 2016](#)

Lipids@Wayne, the forum for exchange of research ideas, methods, and knowledge in lipids research, is pleased to sponsor the third annual symposium on May 11, 2016. The symposium addresses the vital roles of lipids in cellular processes required for normal physiological function. Perturbation of lipid metabolism contributes to numerous pathologies, including cancer and cardiovascular, metabolic, and neurological disorders. We invite you to participate in this

exploration of the lipid frontier. Admission is free, but advance registration is required. To register and/or submit an abstract, please visit [http://lipids.wayne.edu/symposium\\_schedule.php](http://lipids.wayne.edu/symposium_schedule.php)

### [Brain@Wayne Seminar, May 11, 2016](#)

The Office of the Vice President for Research is pleased to host the next Brain@Wayne seminar on May 11, 2016 from 3:00 to 4:30 p.m. The guest speaker will be Dr. Steven Kalkanis, chair of the Department of Neurosurgery and co-director of the Neuroscience Institute at Henry Ford Health System. The seminar will be held at WSU's Welcome Center located at 42 W. Warren.

Dr. Kalkanis will present "Treatment for Brain Metastases: New Evidence, New Options." The seminar is free and open to the entire university community; registration is requested.

### [Inorganic Seminar, May 12, 2016 Tauni Dissanayake \(Rabuffetti Group\)](#)

### [CURES Seminar, May 19-20, 2016](#)

The Institute of Environmental Health Sciences (IEHS) / Center for Urban Responses to Environmental Stressors (CURES) (P30E020957) presents Shyamal Peddada, Ph.D., Deputy Chief of National Institute of Environmental Health and Sciences, Biostatistics and Computational Biology Branch.

### [Inorganic Seminar, May 26, 2016, Jennifer Dionne \(Stanford University\)](#)

*"Inside Out: Visualizing phase transformations and light-matter interactions with nanometer-scale resolution"*

### Programs with open deadlines:

[COE and CLAS Collaborative Research Awards Incentive Program](#) rewards collaboration by allocating 40% of the college IDC and 10% of the department's IDC to each college's Co-PI on a joint proposal that is awarded between October 1, 2015 and September 30, 2017.

[Funder Consultation Program](#) supports travel for faculty to meet with funding officials for the purpose of seeking advice on the feasibility of funding for specific research.

[Graduate Students Who Compete for External Fellowships](#) may be awarded \$2,000 with an additional \$1,000 awarded to the faculty advisor.

[Pre-submission Review and Editorial Program](#) provides up to \$300 for an internal review of a grant proposal, up to \$600 will be provided for an external review. If you wish to convene a mock study section review of the proposal, contact [CLASResearch@wayne.edu](mailto:CLASResearch@wayne.edu) for support. Editorial services may be supported for up to \$500.
