

PREPARING FOR FIELD CAMP – A COMPARTIVE WORKSHEET

	Field Camp #1	Field Camp #2	Field Camp #3
Is the camp at least 6-credits (B.S. majors) or 2-credits (B.A. majors)?			
Is the Field Camp approved to count for my program? Ask Advisor if you're uncertain.			
Does this Field Camp have a special focus you're interested in (e.g., Hydrogeology, Geophysics, etc.)?			
What is the cost of this Field Camp? Are there scholarships available to help reduce the cost?			
Where will this Field Camp be located?			
What are the dates for the Field Camp?			
Where will Field Camp students be staying – dorm room? Hotel? Camping?			
Does the camp have multiple (expert) instructors for each particular focus area (e.g., mapping, soils, structure, etc.)			
Is digital map-making included as part of this Field Camp?			
How physically demanding is this Field Camp?
