

Did you know Career Services helps students prepare for and find internships as well as offers a course to register their internship?

Help spread the word! Encourage students to enroll in Career Services Internship Course #0995, a FREE\* course with many benefits!

- Provides students direct contact to a dedicated Career Services professional while working off-campus
- Allows students to retain full-time academic status while enrolled in a reduced course workload
- Provides documentation on a student's official transcript which helps explain gaps in academic enrollment to a recruiter or graduate school
- Also allows undergraduate F-1 visa students that meet OISS regulations to gain experience in their field
