

RESEARCH ADMINISTRATION

Designated staff responsible for research administration assist with proposals and award management in each department. A listing is provided here for your convenience. To contact Dean's Office staff regarding any research operational question, email CLASResearch@wayne.edu.

To notify that you plan to submit a proposal, call (313) 577-2543 or click here to request assistance [CLAS proposal Support](#).

The Associate Dean for Research, Claudio Verani, should be contacted regarding facilities/space and all matters involving research.

The listing below outlines research administrative areas and the contact person for your department.
